Subject: Falcon Refinery (06MC) -- Commnets Concerning the Attached Access Agreement

Gloria,

My comments/recommendations concerning the attached access agreement:

1. Sentences in the second paragraph:

Now: Once the wells have fulfilled their purpose, they will be properly closed.

Change to: Once **EPA determines** the wells have fulfilled their purpose, **EPA** will insure they will be properly closed.

Now: Once equipment has fulfilled its purpose, it will be removed.

Change to: Once **EPA determines** equipment has fulfilled its purpose, **EPA** will insure it will be removed.

2. Agreement must identify that “Lazarus Texas Refinery I, LLC” is “**owner of record**” for the property.

3. First sentence in the last paragraph:

Now: I am the property owner or an individual having the authority or the authorization of the property owner to make this access agreement.

Change to: I am an individual having the authority and/or the authorization of the **property’s owner of record** to make this access agreement.

4. In place of a particular address for the property, recommend the following narrative be used:

All of the land area upon which the Falcon Refinery Superfund Site (Site) is located. The Site is located southeast of the city limits of the City of Ingleside, in San Patricio County, Texas. The Site's land area approximates 101.5 acres and is comprised of four separate parcels of land; a 9.145 acre parcel, a 50.113 acre parcel, a 28 acre parcel, and a 14.24 acre parcel. The 9.145 acre parcel is situated on the northwest side where Farm-to-Market Road 2725 and Bishop Road/County Road 4717 intersect. The 50.113 acre parcel is situated on the southeast corner where Farm-to-Market Road 2725 and Bishop Road/County Road 4717 intersect. The 28 acre parcel is adjacent to the southeast side of the 50.113 acre parcel and both parcels are adjacent to the southwest side of County Road 4717. The 14.24 acre parcel is bounded on its southeast side by Redfish Bay and contains land areas on both sides of County Road 4692.

Site property being the same 87.258 acres of land, described as (the “Refinery Land”) and the 14.24 acres of land described as the (the “Barge Dock”) in the Special Warranty Deed with Vendor’s Lien that is recorded in San Patricio County Recorder’s Office in Sinton, TX in

Land Records in Instrument number 615663 **and also** being the same 14.24 acres of land described as (the “Barge Dock”) in the Special Warranty Deed and Bill of Sale that is recorded in San Patricio County Recorder’s Office in Sinton, TX in Land Records in Instrument number 615662.

Bob and Gloria

Please let me know if you are ok with me sending this to the new property owner at Falcon.

Thanks

Brian:

We have revised the onsite access agreement for the Falcon Refinery RI/FS project based on the feedback that you received from the property owner. Attached is the revised agreement for your consideration. Please let me know if you need us to make any additional changes.

Thank you,
Bob Owens
